Contributor Recognition

To: Company Campaign Coordinator

Ada Regional United Way established the "Leadership Circle" to recognize those individuals who contribute above a certain level.

Your help is required to collect the names of payroll deduction contributors. The following levels of payroll pledges in this 2018 Campaign qualify your employees to be recognized. It is not necessary to pay the amount now, the pledge to give \$250.00 or more during 2018 is sufficient.

Enclose this report in the company Report Envelope before sealing. (If you have no qualifying employees, please write "none", sign and return.)
